

United States Government

Department of Energy

memorandum

DATE: October 10, 1991

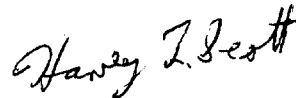

REPLY TO: EH-411
ATTN OF:

SUBJECT: Reports to be Requested from State Department on Palomares Project

TO: R. Thomas Bell, EH-411

It is requested that the U.S. Embassy in Spain request copies of the following reports from the Junta de Energia Nuclear, which is an office within the Spanish government.

- a. Annual or periodic reports prepared by CIEMAT Ministry of Industry and Energy on Palomares nuclear weapons accident for the last 4-5 years. This is for work supported by the U.S. DOE.
- b. Reports on residual contamination west of Palomares, Spain (Area 2).
- c. Radiation surveys completed during the last 4-5 years.
- d. Reports on any remediation activities during the past 4-5 years.
